How Did I Do?

Writing genre: Persuasive Essay

1. What part of your persuasive essay was most effective in making your point?
2. How well did the beginning of your essay grab your reader's attention?
3. How clearly did you state your reasons?
4. How efficiently did you use facts and details to support the reasons you listed?
5. Did you anticipate and respond to possible objections to your argument?
6. How effectively did you use adjectives and adverbs in your essay?
7. Did the ending of your persuasive essay summarize your main points and make a convincing argument for your point of view?
8. If your essay was a call to action, how persuasive was it? Did it convince your readers to take action?
